

Claudia Ludlow, General Manager
Glorietta Bay Inn

Why did you join South County EDC?

As a community hotel we want to stay close not only to our local community but also those neighborhoods that are around us.

The best thing that has happened/I have learned, experienced, enjoyed is...

I've enjoyed meeting business owners, community representatives and city officials. Watching all these entities work together always inspires me.

Fun fact about you:

Our family was one of the first African American families to arrive in Coronado in 1919.

Life goal:

Not so much a life goal, but a daily goal; impacting others in a positive way.
