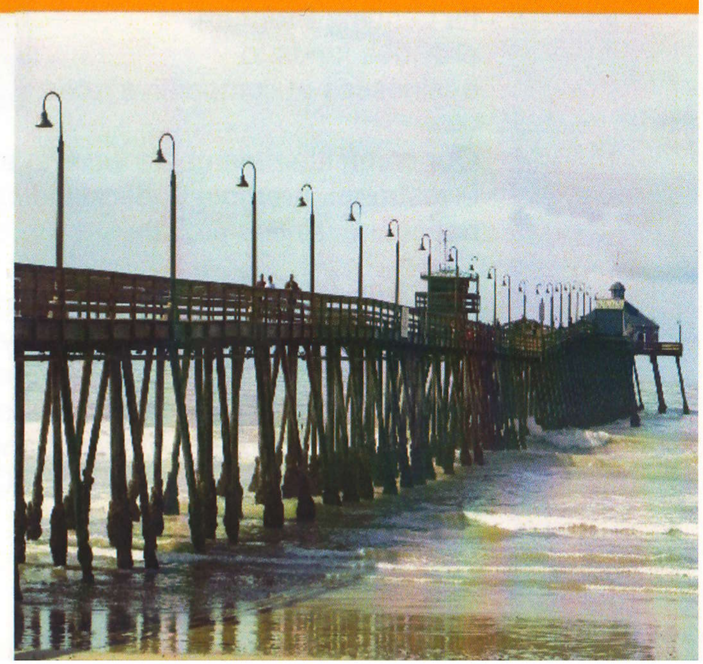
Helping Businesses Growth

South County Economic Development Council

Finance and Loan Committee



San Diego's Voice for Binational Business

"Behind every small business, there's a story worth knowing. All the corner shops in our towns and cities, the restaurants, cleaners, gyms, hair salons, hardware stores – these didn't come out of nowhere."

~Paul Ryan
(U.S. House of Representatives)
Chairman/House Budget Committee

The **South County Economic Development Council (SCEDC) Finance and Loan Committee** is committed to helping businesses grow and creating an opportunity for South County residents. Economic opportunities abound in South County, as we encourage business expansions and new job creation. The Finance and Loan Committee, through Its Lending Program, provides funds to businesses at competitive rates.

Our committee members work to encourage private investment, promote understanding and nurture bi-national business growth.

If your idea coincides with our vision we encourage you to participate with SCEDC. If you are a business, government, education, or community leader who recognizes the challenges businesses have to overcome, or if you have a desire to work hand and hand with businesses, we urge you to join SCEDC today!

The **Goals** of (SCEDC) Finance and Loan Committee are:

- Manage loan pool by assisting the Board in setting strategic direction for the organization lending operations.
- Oversee internal finances by assisting the Board in fulfilling its oversight responsibilities with respect to the organization's lending, credit, functions, and fiduciary responsibility.

Our **Activities** include:

- Review loan applications to determine eligibility based on SCEDC Lending Program requirements.
- Interview loan applicants and obtain all of the necessary documentation to make loan de cisions.
- Make loan decisions in a timely fashion to meet applicants' needs.
- Provide recommendation for loan actions to the Board of Directors.
- Work with staff in presenting a balance budget and provide oversight of internal finances.

"The government's Small Business Administration reports that small businesses represent 99% of all employers in the United States and are responsible for generating well over half of new jobs created."
